

# R in Grenoble

## WORKING SESSIONS

**Learn R  
and share a drink**

**At IMAG building  
16:00 - 18:00**

**September 13, 2018**  
**What R can do for you?**

**October 18, 2018**  
**Image processing with package  
{imager}**

**November 15, 2018**  
**Linear models in R**

**December 6, 2018**  
**Manage your workflow with  
package {drake}**

**January 31, 2019**  
**Deep Learning with package  
{tensorflow}**

**February 14, 2019**  
**Machine Learning with package  
{caret}**

**March 14, 2019**  
**Best coding practices**

**April 11, 2019**  
**R Markdown**

**May 16, 2019**  
**Data manipulation with package  
{dplyr}**

**June 13, 2018**  
**Data vizualisation with package  
{ggplot2}**
